

AIGA & BFA Graphic Design students at UH Mānoa presents:

2008 Portfolio Sessions and Public Viewing

Portfolio Sessions:

Calling all professional designers! The most nerve-wracking part of starting a career for a graduating senior BFA design student is undoubtedly the **interview**. We believe that the best way to be prepared is to practice. This year we've chosen a different approach to prepare our portfolios. The senior BFA design students at UH Mānoa welcome the more casual and personal, **AIGA Student Portfolio Sessions**. We have gathered our best design work and are looking to get feedback from the professional community. We would like to invite Oahu's professional designers to participate in mock interview sessions with our senior BFA design students. If you are a professional designer on Oahu, and would like to **participate** in these sessions, we would be honored to get your feedback and advice.
